DETAILED ACTION

1. The Examiner's previous Office Action made final on (6/21/05) is vacated.

Allowable Subject Matter

2. Claims 11-12, 31-34, 38-39 and 42-45 renumbered as claims 1-12 are allowed.
3. The following is an examiner's statement of reasons for allowance.

Prior art of record fails to teach or clearly disclose the feature of "receiving a user selection representing a **specific** number of digits to be entered in order to initiate redialing of a corresponding previously dialed telephone number, wherein the specific number of digits is limited to some number of the last digits of the corresponding previously dialed telephone number, whereby a user-defined calling card redialing function is configured for the calling card identification number as recited in independent claims 11 and 38 renumbered as claims 1 and 7. See figure 5 wherein item 520 (redial) is strictly limited to the last four or last five digits of a corresponding previously dialed telephone number verses prior art teachings of allowing users to select a convenient string that is easy to remember.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
